14. All Impak products remain the property of Impak until such products have been paid for in full. This shall also apply to the products and services provided by Centres on behalf of Impak, which shall not be construed as being the intellectual property of the Centres.

25. No variations or amendments to this agreement, or waiver of any rights or cancellation thereof will be valid unless placed in writing and signed by both the Legal Guardian/Account Holder and Impak, or its duly authorised representative. When interpreting this agreement, the terms of any valid amendment or variation shall prevail.
26. No failure on the part of Impak to enforce any provision of this agreement shall constitute a waiver of such provision or affect in any way Impak's right to require performance of any such provision at any time in the future.
